Free Listing Benefits

Great to get you started, a free listing has these features -

- Company name
- Address details and Google Map (location based listings only)
- Contact phone number
- Link to web site (if available)
- Links to all locations for companies with multiple locations
- List of all pages the listing appears on

Free listings on Bub Hub often provide more traffic than paid advertising on other websites. All are easily upgradable to Enhanced Listings which are designed to provide even more traffic.
